

## 2019 - CKJ RULES OF ENGAGEMENT

- **The primary rule is RESPECT:**
  - **People**
  - **Possessions**
  - **Property**
- **Don't touch without advance permission.** Don't assume that because someone else walks up to someone and hugs that you can do the same. Those people MAY have some kind of relationship. **NO TOUCHING WITHOUT PERMISSION, EVER!**
- **Don't interrupt a scene.** If you don't like what is happening, leave the area. If you think that what's happening is unsafe, tell a dungeon monitor.. The scene does not end as soon as the action is over. Novices attempting to start conversations with the top or the bottom during or immediately after the scenes is one of the most common errors at play parties. No Exceptions!!
- **BE QUIET while scenes are going on or go to the social space to chat!** The admiring or joking comment you think that you are whispering to the person sitting next to you is often heard by the bottom or the top, whose senses are sometimes hyper-tuned and on edge. Step outside of Dungeon, Be aware of your voices right outside the rooms.
- **USE "YOUR" TOWEL OR SHEET/BLANKET ANYTIME YOU ARE NAKED ON ANY FURNITURE, BED, CHAIR. ALWAYS USE A TOWEL/PAD/SHEET ON BEDS! NO PERSONAL FLUIDS on FURNITURE. Sheets for beds provided. Towels available for RENT OR BRING YOUR OWN.**
- **Clean up after yourself.** At the end of the scene, please pick up any debris around your play station. Also, grab a bottle of disinfectant and use it to wipe down any equipment that was used.
- **Leave space for the PLAYERS to move during a scene.** If the room is too crowded, stand against the far wall or leave the room. If the top asks you to move, then move!
- **Do not join in scenes, even if they look like they are free-for-alls.** A scene might in fact be carefully orchestrated by acceptable players to look casual. Join only if the top clearly beckons you in. If you are in doubt, don't join. ALL PLAY SHOULD BE NEGOTIATED WITH LIMITS EVEN LATE JOIN-INS!
